

ENVIRONMENTAL POLICY STATEMENT

C E Edwards (Engineers) Ltd recognise that its day-to-day operations can impact both directly and indirectly on the environment. We aim to protect and improve the environment through good management and by adopting best practice wherever possible. C E Edwards (Engineers) will work to integrate environmental considerations into our business decisions and adopt greener alternatives wherever possible, throughout our operations.

In all our activities we aspire to:

- Comply fully with all relevant legal requirements, codes of practice and regulations.
- Prevent pollution to land, air and water.
- Reduce water and energy use.
- Minimise waste and increase recycling within the framework of our waste management procedures.
- Identify and manage environmental risks and hazards.
- Involve customers, partners, clients, suppliers and subcontractors in the implementation of our objectives.
- Promote environmentally responsible purchasing.
- Provide suitable training to enable employees to deal with their specific areas of environmental control.
- Improve the environmental efficiency of our transport and travel.
- Establish targets to measure the continuous improvement in our environmental performance.

This policy will be regularly reviewed to assess its suitability as the company moves forward.
